**COURSE INFORMATION**

Upon receipt of the registration form, a confirmation letter stating course date, time and location will be sent. If you do not receive confirmation in approximately 2 weeks, please contact our office immediately. Your confirmation letter will act as an acknowledgment of enrollment in the course. If you have questions prior to class, please call (916) 733-6333.

**REGISTRATION INFORMATION**

See [www.continuingeducationconsortium.org](http://www.continuingeducationconsortium.org) for registration options.

Registration deadline is one week prior to course date, or when the class limit is reached. Registration accepted on a first-come, first-served basis. Hospital facilitators may fax registration materials.

**CE INFORMATION**

Provider approved by the California Board of Registered Nursing, CEP #07960, for 7 contact hours.

**REFUNDS**

The registration fee will be refunded provided notice of cancellation is given in writing 14 days prior to course date. The registration fee will be refunded in full if, for any reason, the Continuing Education Consortium cancels the program.

**FOR MORE INFORMATION**

Call: (916) 733-6333

Fax: (916) 733-6286

**Consortium Sponsored Hospitals:** Barton Memorial, Dignity Healthcare - Greater Sacramento, Adventist Health/Rideout, Kaiser Greater Sacramento, Vibra, Marshall Hospital, Northbay Medical Center, Shriners' Hospital, Sierra Nevada Memorial, Sutter-Auburn, Sutter-Davis, Sutter Medical Center, Sutter-Roseville, UC Davis Medical Center & Woodland Memorial, Sacramento VA

## COURSE DESCRIPTION

This course covers assessment and intervention using hemodynamic parameters measured from pulmonary artery (swan), triple lumen, and arterial monitoring systems. Included will be monitoring system setup and maintenance; waveform analysis; pressure, SVR, CO value interpretation; SVO2 and continuous cardiac output monitoring.

This course is intended for nurses who are either unfamiliar or need a review of the fundamental concepts of Basic Hemodynamics. Vasoactive drugs will be covered.

## COURSE CRITERIA

- ◆ Attend entire course.
- ◆ Complete instructor evaluation

## COURSE FEE

- ◆ \$149
- ◆ *Students enrolled in ECCO are pre-paid*

See [www.continuingeducationconsortium.org](http://www.continuingeducationconsortium.org) for downloadable applications

## COURSE COORDINATOR

Kevin Floyd, RN, BSN, CCRN  
Educational Consultant in Critical Care Nursing

## COURSE OBJECTIVES

Upon completion of this course, the participants will be able to:

- ◆ Describe the physiologic determinants of cardiac output, arterial pressure and oxygen delivery.
- ◆ Determine accurate balance and zeroing of a PA catheter.
- ◆ Apply pulmonary artery measurements to clinical settings.
- ◆ Discuss the accuracy of hemodynamic data in patients on the following modes of ventilation: SIMV, AC, and PEEP, spontaneous
- ◆ Describe the hemodynamic effects of the following medications: Amiodarone, Lidocaine, Digoxin, Nitroglycerine, Nitroprusside, Dopamine, Dobutamine, Milrinone, Capoten, Norepinephrine, Epinephrine & Neosynephrine.
- ◆ Describe several troubleshooting methods for PA catheter tracings.

## REGISTRATION OPTIONS

**By E-mail** with electronic registration form and credit card payment

- 1) Email registration form to [Jill.Paterson@dignityhealth.org](mailto:Jill.Paterson@dignityhealth.org)
- 2) Jill Paterson will call you to obtain Credit Card information  
*If no call received within 2 days, please call Jill Paterson 916 733-6333*

**In Person** with registration form and credit card or check  
Dignity Health - Collaborative Learning Center  
1700 Tribute Rd, Suite 100 - Sacramento, CA 95815

**By U.S. Mail** with registration form and check  
Payable to: Dignity Health – Collaborative Learning Center -  
1700 Tribute Rd Suite 100, Sacramento, CA 95815
